

EDGE FIRMNESS COMPARISON: EVERFLEX® BONNELL vs. EVERFLEX® BONNELL with POWER EDGE®

Leggett & Platt®

BeddingComponents.com

EverFlex® Bonnell Coil

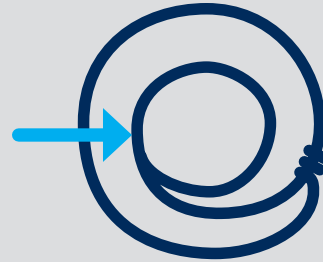

Larger interior turn provides softer support

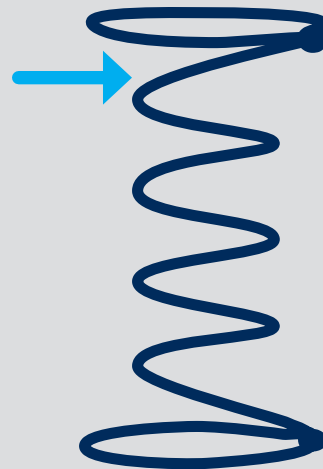

Curved arch from coil head provides softer feel

EverFlex® Bonnell with Power Edge® Coil

Tight interior turn provides firmer support

Straighter arch from coil head adds firmness

When depressed, the EverFlex® Bonnell with Power Edge® innerspring unit gives you 20% greater edge firmness for less roll-off feeling.
