

VERTICOIL® EDGE

Packable and Shippable

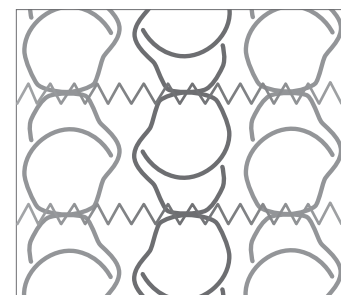

Leggett & Platt®

BeddingComponents.com

With consistent coverage across the surface of the bed, VertiCoil® Edge delivers a strong perimeter that reduces sagging and the feeling of roll-off at the edge of the bed.

- **Open-Coil Design** – Remains stable throughout every part of the mattress.
- **Durability** – Provides a durable, long-lasting sleep surface that springs back to its original shape after each use.
- **Alternating-Coil Rows** – Evenly distribute weight and counteract force to deliver proper support and improved perimeter consistency.
- **Stress-Relieved Wire** – Holds its shape and provides a durable, consistent sleep surface.
- **Packable and Shippable** – Can be compressed and rolled.
