

Everflex® Bonnell is a mainstay in the industry, made up of top-quality, stress-relieved Bonnell coils for dependable support and durability. Available in a variety of heights and configurations for easy customization – including foam-encased options.

- **Clipped Borders** – Strengthen the edge for a supportive night’s sleep, free of that roll-off feeling.
- **Durability** – Provides a long-lasting sleep surface.
- **Stress-Relieved Wire** – Holds its shape and provides a consistent sleep surface.
