

Simple Life® foundation design

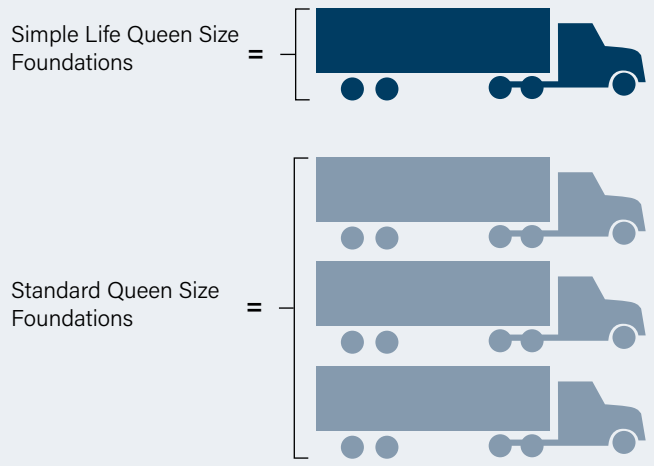

Benefits for Retailers:

- Ship Simple Life foundations to your customers by regular package carrier.
- Simple Life foundations reduce storage and transport space, as well as associated costs.
- Passed all durability tests, including Cornell, Rollator, and Impact.
- Designed to tailor at the corners like a traditional foundation, adding to eye appeal.

Benefits for Consumers:

- Heavy-duty tubular steel construction provides maximum edge firmness with no side-sway.
- Order online; ships with regular package carrier.
- Easy to move up or down stairs and around tight corners.
- No tools needed for assembly.
- Durable and noiseless.

Triple the load! Small enough to fit three times the load into one truck.

Save shipping!

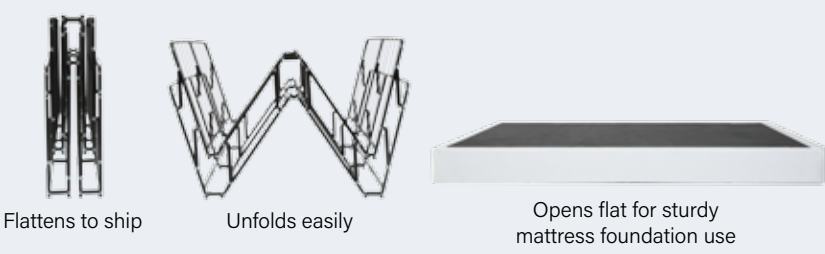

Ship Simple Life foundations to your customers by regular package carrier.

Save home delivery struggles!

Folds for carry-in ease.

Save space!

Uses less warehouse space to store.

Simple Life® Foundation Can Be Paired With Any FR 1633-Compliant Mattress

Testing Benefits:

- The Simple Life foundation can be paired and sold with any FR 1633-compliant mattress.
- Saves cost and time of additional testing with each mattress.
- Allows Simple Life foundations to be marketed and sold more freely.
