

EAGAN® FORGE™

Ready-to-Assemble Steel Foundation

Leggett & Platt®

BeddingComponents.com

This steel RTA foundation features great durability and support, and is designed to be the perfect mate for bed-in-the-box consumers. The smaller-sized package allows for cheaper outbound shipping and greater profitability, while the one-piece cover with built-in connection points creates an upholstered-like appearance.

- **Tool-Less Assembly** – Corner hinge brackets and roll-out wood slats that assemble in minutes.
- **Multifunctional** – Can be used on a bed frame or set on the floor with the addition of wood legs.
- **Superior Durability** – Lifecycle tested according to ASTM standards.
- **Packable and Shippable** – Parcel-carrier friendly compact box for easy handling and surcharge-free carrier shipping.
- **Headboard Brackets** – Attaches via corner legs with 2 screws and 2 washers. Tool included.

Quick-connecting interlocking corner system

Sturdy roll-out slats with rubber stops

Headboard brackets included with mounting hardware kit

Dual center supports on King and Cal King sizes. Single on Queen, Full, TXL, and Twin
